

## OFFICIAL LETTER

Yangon, Myanmar – 22 May 2020

Subject: Postponement of MTA Myanmar 2020

Dear Participants,

Due to the recent global travel restrictions and country-wide lockdowns in several regions, organizer of **MTA Myanmar** has made a difficult but necessary decision to postpone the event **from 21 – 23 October 2020 at Myanmar Expo to 20 – 22 October 2021 at the same venue**. The show is co-located with SUBCON Myanmar 2020.

After serious consideration and close consultation with our stakeholders, exhibitors and industry partners in the construction industry, we believe these revised dates will allow more time for normality and confidence to return to the marketplace, ease travel restrictions, and provide all-around better conditions for exhibitors and visitors to engage. The organizing team will reach out to all participants regarding detailed arrangements in due course.

We wish to thank those who participate and support the shows and we greatly appreciate your patience and understanding. Our sole focus remains to provide an event of enhanced quality, with more exhibitors and qualified trade buyers to make your participation a huge success. We look forward to seeing you again in 2021.
